

NLN PAX Prep FAQs

Is there a PDF for students?

Yes, there is a “Click Here” link on the first screen: “Using this Online Publication to Maximize your Score.” This will open the PDF with PAX-specific information and content review for the topic purchased.

Will this be like one of our practice exams?

The PAX Prep product allows your student, 60 days from the day of purchase, to click on the link for the PDF, answer the 50 online items, and submit for a raw score one time.

The Bonus Product allows unlimited access, 30 days from date purchased, to take unlimited, timed 50-item exams.

How many questions are there on each exam?

Fifty.

After the 30/60 days, is access automatically shut down?

Yes, the link will no longer be visible under the “My Exams” tab.

Does the 30/60-day access start the day students pay or when they access the first exam?

The 30/60-day access begins on the day students purchase the exam.

Will students get a report with question rationales at the end of the exam?

Students will receive a raw score for the Live Practice items. A composite score is not calculated.
